

The 27 Victory has an unmistakable offshore feel the moment you slip behind the steering wheel. The dash console provides handy molded fiberglass walk-up steps to assist in easier access to the forward deck.

It's not hard to understand why the 27 Victory cuddy/bow-rider has become such a family favorite...abundant passenger capacity, ample freeboard and a silky-smooth ride.

Excellent headroom, ample seating accommodations and luxurious amenities are the important ingredients of a comfortable, multi-use cabin. Closed deck model is standard with a forward sleeping berth.

Performance Step-Vees

The 28 Victory was engineered from the keel up to deliver exhilarating performance from a wide range of single MerCruiser Stern Drive options.

You won't find a roomier 28-footer. Perfectly proportioned...large aft sunlounge, spacious main cockpit, expansive mid-cabin and comfortable bowrider.

Even something as simple as a driver's helm is better with Advantage ingenuity at work. Note the convenient step-up dash and full fiberglass floor liner.

If you can't quite make up your mind between owning an offshore muscle boat or a family sportboat...why not both? The 25 Citation is the perfect crossover model, also available in a cuddy/bowrider version too.

Does this look like the normal cabin of a 25-foot sportboat? It's no illusion...you'll be amazed at the headroom, overall spaciousness and ease of entry to the open bow. Closed deck model has a large forward sleeping berth.

Pure performance thanks to Advantage's efficient step-vee hull design.

All new center-console cockpit/helm design with port side cabin entry.

Extra wide beam design pays big dividends, adding to cabin spaciousness.

Molded fiberglass galley cabinet with sink, storage compartments and optional blender.
